## **Aim and Scope**

Journal of DIMENSI is a peer-reviewed journal devoted to the applications of architecture theory, sustainable built environment, architectural history, urban design and planning, as well as building structure. We accept National and International original research articles which are free of charged at this moment. The manuscript will be reviewed by two independent National or International advisory boards who are in their expert field.

DIMENSI is published, twice a year, in July and December, by the Institute for Research and Community Services, Petra Christian University, Surabaya-Indonesia. DIMENSI will be distributed to other universities, research centers, and National or International advisory board as well as to regular subscribers.

DIMENSI Volume 40, Number. 2, 2013 are accessible full articles online at E-Journal: <http://puslit2.petra.ac.id/ejournal>. Indexed by Google Scholar & Directory of Open Access Journals (DOAJ).
