Dear Prof. Thio and Brian

Please allow me to introduce myself as the Production Editor at CABI who is working on Tourism in Development: Reflective Essays to which you have co-contributed a chapter.

Please find attached PDFs of your chapter and the frontmatter. If you would like to make any text corrections, please add them to the PDFs using the Adobe Reader/Acrobat Comment tools (please let me know if you are unfamiliar with these). Alternatively, you can list your responses and corrections in a separate document or email.

In particular, please check that you are happy with the affiliation details at the start of the chapter and that, in the frontmatter, the details in the contributors section are up to date.

I would be grateful if you could mainly check for errors and avoid changes to the text, as reflowing it at this stage can be disruptive.

I would be very grateful if you could send your corrections to me by 12th October, but please let me know if this is not possible and you require more time. Or, please let me know if you do not have any changes to make.

Thank you very much for your help.

Best wishes

Tim

Hi Sienny ..

Good news about our – only two minor referencing issues!

I will have block teaching all day today and tomorrow. Would you please take the lead on the two corrections? I'll be happy to read through the chapter once my teaching is complete.

Have a great day – the book is getting close!

Brian

Dear Prof King,

Pls kindly find the attached modified paper (I made a comment for each).

For your reference:

AQ1: Please note that reference Gebbie (2016) is cited in the text but does not appear in the reference list. Please provide the complete details for this reference or delete the citation. --> **I added the reference of Gebbie (2016)**

AQ2: R41 Please provide an in-text citation for reference OECD, 2014b. --> **in the initial script we sent, it was written**

(OECD, 2014b) but in the latest script, it changed to (OECD, 2014a). in R41, It is supposed to be OECD, 2014b. Therefore, they need to change the reference in R41 to OECD, 2014b.

Hope it is clear. Pls feel free to let me know if there is another thing I need to modify.

Many Thanks Prof. King for your valuable support to the chapter!
Cheers,
Sienny

Pls kindly find the attached PDFs paper with some corrections. We used the comment tools to show our response. I added the affiliation details of mine.

AQ2: R41 Please provide an in-text citation for reference OECD, 2014b.

--> [in the initial script we sent, it was written \(OECD, 2014b\) but in the latest script, it changed to \(OECD, 2014a\). in R41, It is supposed to be \(OECD, 2014b\) NOT \(OECD, 2014a\).](#)
