April 25, 2022,

Dear Managing Editor of the **International Journal of Organizational Behavior and Policy**

I wish to submit an original research article entitled "The Impact of Financial Leverage on Profitability: The Role of Corporate Governance as a Moderating Variable" for consideration by **International Journal of Organizational Behavior and Policy**

I confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere. We believe that this manuscript is appropriate for publication by **International Journal of Organizational Behavior and Policy** because it is suitable for the aim of this journal that publishing paper includes environment and sustainability issues.

Hopefully, this article can be published in the **International Journal of Organizational Behavior and Policy**

Please address all correspondence concerning this manuscript to me at widuri@petra.ac.id

Thank you for the consideration of this manuscript.

Sincerely,

Retnaningtyas Widuri, S.Sos.,M.M.,BKP.,CMA.

Dear Authors,
Thank you for submitting the manuscript.
We would like to tell you regarding your article that the result of plagiarism checked is more than 20% which is the maximum limit which we can tolerate.
We suggest that the authors should revise and resubmit the article soon so that it can be published in the July 2022 issue.
We also attach the plagiarism result as the guidance.

Best regards,
Elsa Tjondro

Dear Retnaningtyas Widuri,

We have now completed the reviewing process of your article entitled "Does Short-Term Debt Increase Profitability? The Role of Corporate Governance as a Moderating Variable", which you submitted to the Int. J. of Organization Behavior and Performance, and we are pleased to say that we consider it a good candidate for publication, once a number of revisions are made.

Please read the reviewers' recommendations in the attachment file and revise your article in light of their comments.

To help the reviewers check that you have made the required corrections, please insert at the beginning of your revised article a detailed response to the reviewers' recommendations. Make sure you address each recommendation thoroughly and methodically. You should also show where the reviewers can find your change in the revised article by referring to the page number and preferably highlighting the updated text.

When revising your article please ensure that your reference list is up to date, which are of relevance to your article are included. Having a broad and up to date reference list is vital to the quality of an article, and very useful to the readership.

You will need to email your revised article. The reviewers will then re-review your article. If they accept your revised version without any additional changes, it will move onto the next step in the publication process.

We look forward to receiving your resubmission within the next 7 days or before 22 July 2022.

Kind regards,

Elba Tjondro
