Ekadewi:

Thank you for submitting the manuscript, "ICSET - Experimental Study on Effect of Nano ZnO on the Cooling Performance of Motorcycle Radiator " to Journal of Advanced Research in Fluid Mechanics and Thermal Sciences. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: https://semarakilmu.com.my/journals/index.php/fluid_mechanics_thermal_sciences/authorDashboard/submission/968

Ekadewi:

We have reached a decision regarding your submission to Journal of Advanced Research in Fluid Mechanics and Thermal Sciences, "ICSET - Experimental Study on Effect of Nano ZnO on the Cooling Performance of Motorcycle Radiator".

Our decision is: Revisions Required

Please submit the revised article by 29 Nov 2022

Editorial Comments:

Please cite few articles from

Dear Dr. Nor Azwadi,

Thank you for your response... 🙏

Following the recommendation, I have added three papers from the journal that are most related to my manuscript.

The addition in my manuscript is highlighted in yellow.

Hopefully, the revised paper is acceptable now.

Thank you for your time and consideration.

Sincerely,

Dr. Ekadewi A. Handoyo

Promote your works to boost your citation count. You may consider the following techniques:

- Use social media. Provide links to your papers on social media (e.g., Facebook, Twitter, Academia.edu, ResearchGate, Mendeley) and your university profile page.
- Talk to other researchers about your paper, and email copies of your paper to researchers who may be interested.
- Create a blog or a website dedicated to your research and share it.
- Cite your own past papers as appropriate to increase visibility of your published papers.

Thank you again for publishing with us. We wish you the best success with your research.
