Subo 2023

Aristarchus P. Kuntjara | Dongseo University

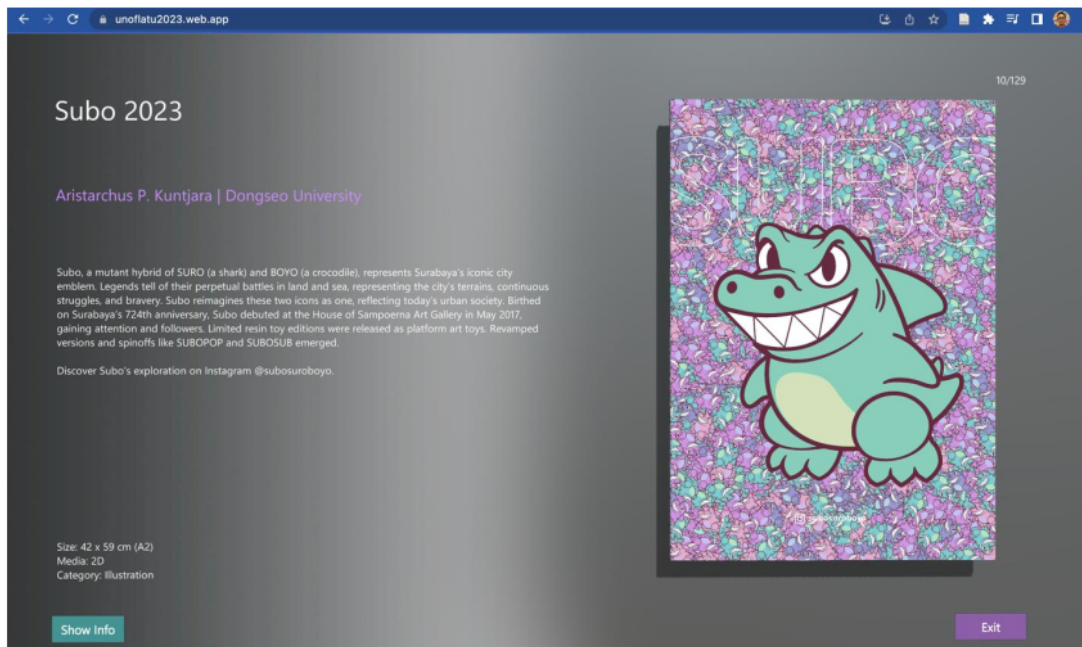

Subo, a mutant hybrid of SURO (a shark) and BOYO (a crocodile), represents Surabaya's iconic city emblem. Legends tell of their perpetual battles in land and sea, representing the city's terrains, continuous struggles, and bravery. Subo reimagines these two icons as one, reflecting today's urban society. Birthed on Surabaya's 724th anniversary, Subo debuted at the House of Sampoerna Art Gallery in May 2017, gaining attention and followers. Limited resin toy editions were released as platform art toys. Revamped versions and spinoffs like SUBOPOP and SUBOSUB emerged.
