Dear Mr. Benjamin and Mr. Surya

Good afternoon.
I hope you are doing well.
I'm writing about our recently submitted paper (On the Weights for Characteristics and Comparables for Property Valuation using Quality Rating Valuation Estimation (QRVE)). More than one month has passed since this article was second submitted and so my co-authors and I were wondering if there was anything we should adjust to fulfil your publication requirements.

We look forward to hearing from you.

Sincerely yours,
Karina Agustin
