**Dear Authors,**

I am pleased to share information on the decision of journal's manuscripts.

Unfortunately, due to a very tight standard for an international journal's manuscript and the obligation of strong linkage to the main theme of "empathic architecture", I can only manage to select 8 out of 25 manuscripts. Hereafter, 8 manuscripts will be reviewed for JAU and 17 manuscripts will be reviewed for DEMENSI. All manuscripts are subject to revisions, ranging from minor revisions to major revisions.

Manuscripts selected for JAU are suggested to conduct revisions based on editor's comments and sought to comply with the JAU format which can be viewed on

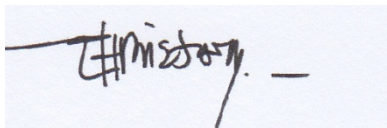

<http://www.tandfonline.com/action/authorSubmission?journalCode=ttpa20&page=instructions#.VCj6Z1ed18c>.

Revision period is given up to November 29<sup>th</sup>, 2014 sharp. Those who fail to do so will lose opportunity to be published. During this period, authors are welcome to discuss matter of revisions with the editor, using email address of [empathic2014@gmail.com](mailto:empathic2014@gmail.com)

There is still a chance for all authors to submit new manuscripts, since the editor is given 10 manuscripts slot for this special edition. Please kindly share this information to colleagues who might be interested in submitting manuscripts. New manuscripts are to be submitted through the above email address not later than 29 November 2014.

Authors of manuscripts for DIMENSI will be contacted by DIMENSI's editor later.

Best regards,
