Dear Eunike Kristi Julistiono,

Congratulations once again on your submission's acceptance for the **SBE16 International High-Performance Built Environments Conference 2016** taking place in Sydney from 17 – 18 November 2016.

The conference is fast approaching and we encourage you to avail of the discounted **Earlybird registration fees (a saving of AUD\$100)** by registering before the **Earlybird deadline expires on 30 September 2016**. For further information and to register please click [here](#).

An invitation letter for those of you who may require a visa will be available to download from your profile once you have completed registration and all outstanding fees have been paid in full.

The conference will be held at the Australian National Maritime Museum, Darling Harbour, Sydney. We have also arranged specially discounted accommodation rates at three properties, conveniently located to the conference venue.

Keynote speakers from world-leading academic and industry representatives are:

**Professor Helen Lochhead**

Dean of UNSW Built Environment  
and former deputy NSW  
Government Architect

**Scientia Professor Deo Prasad AO**

CEO of the CRC for Low Carbon Living and  
Fellow of the Australian Academy of  
Technological Sciences and Engineering

**Professor Matheos Santamouris**

Professor of Energy Physics at the  
University of Athens and Inaugural  
Anita Lawrence Chair in High  
Performance Architecture at  
UNSW

**Professor Peter Newton**

Research Professor at Swinburne University of  
Technology in Melbourne, Research Leader in  
the CRC for Low Carbon Living and Fellow of the  
Academy of Social Sciences in Australia

**Mr Nils Larson**

Executive Director of the  
International Initiative for a  
Sustainable Built Environment and  
Co-owners CIB, iiSBE, UNSW-  
SBCI and FIDIC

**Mr Man-kit Leung**

Director of Hong Kong Green Building Council  
and Chairman of Policy and Research  
Committee, Hong Kong Green Building Council

**Professor Dennis Else**

Executive Director, Sustainability,  
Safety & Health, Brookfield  
Multiplex, and Board member of  
the CRC for Low Carbon Living

Thank you once again. We are looking forward to seeing you in Sydney!

Dear Dr. Lan Ding,

Please assist me on some issue regarding my final paper submission:

Is it correct that the final paper should be submitted in pdf format?

Because I tried several times to submit my ms word file, but it kept failing. But then I succeeded to upload the pdf version of my paper.

Then, do I need to submit my ms word file as well? How should I send my ms word file? Should I send it to you by email?

Looking forward for your answer and confirmation that my final paper has been submitted.

Best regards,  
Eunike

Dear Eunike,

Thank you for your inquiries. Please find my responses below.

➤ 1. When will you publish the conference program? At the moment I'm starting to process permission from my university to attend the conference, and I need the conference program, to inform the schedule of my presentation.

Please find the attached preliminary conference program. The final conference program will be ready soon.

➤ 2. To register for the conference, is it possible to pay the conference fee on site when I attend the conference?

➤ 3. Will you have a technical visit/field trip following the conference? I would like to know to plan my visit.

If delegates are interested, the Organising Committee is happy to recommend several sites for delegates to visit, e.g. 6-star green star buildings in Sydney, etc.

Thank you very much and looking forward to seeing you in SBE16 Sydney in November!

Dear Dr. Lan Ding,

Thank you for your notification. I will soon revise my paper according to the reviewers' comments and send it back.

May I ask some questions regarding the conference:

1. When will you publish the conference program? At the moment I'm starting to process permission from my university to attend the conference, and I need the conference program, to inform the schedule of my presentation.
2. To register for the conference, is it possible to pay the conference fee on site when I attend the conference?

Word version should be submitted. Many thanks.

Dear Alyssa,

Could you please assist Eunike in submitting the Word version of the revised paper? The system should allow authors to submit the Word version of revised full papers which is required by Elsevier's Procedia Engineering Journal. Many thanks.

Best regards,

Thank you very much for your quick response.

Here, I send you the ms word version of my final paper, as well as the pdf version which I have uploaded through the system.

For your information, I also send you capture of submission page, showing an error everytime I tried to upload the ms word file.

I will complete my registration soon. At the moment I'm still waiting for official permission from my university.

Please confirm my final submission.

Dear Dr. Lan Ding,

Thank you very much for your quick response.  
Here, I send you the ms word version of my final paper. I have uploaded the pdf version through the system.

For your information, I also send you capture of submission page, showing en error everytime I tried to upload the ms word file.

I will complete my registration soon. At the moment I'm still waiting for official permission from my university.

Please confirm my final submission.

Best regards,

Eunike

## SBE16 Sydney, Revision Notification

**SBE16 Sydney** <sbe16sydney@unsw.edu.au>

To: "kristi@petra.ac.id" <kristi@petra.ac.id>

Dear Eunike Kristi Julistiono,

Thank you again for submitting your paper to the SBE16 Sydney Conference. Your paper "ID 32812", "Structural Pattern's Granularity Variation to Optimize a Vertical Structure" has a few formatting issues that still need to be changed:

First page layout (title/authors/affiliation/abstract/copyright info/keywords/corresponding author's contact details)	Title: Only first letter should be capitalized
General layout (style, fonts, paragraphs)	Author name not given on top of some pages
Figures (layout and captions)	
Tables (layout and captions)	Table caption should be left justified
References	
other comments on the template	
additional comments from reviewers	

We would therefore ask you to amend the paper in order to address these formatting issues and send us the final document in **Word format** via email to [SBE16Sydney@unsw.edu.au](mailto:SBE16Sydney@unsw.edu.au)

Together with the final version of the paper, we would also ask you to send us high resolution (minimum 300 DPI) .tiff or .jpeg versions of all images in the paper. These images can be included in a separate .zip folder and sent via email along with the paper. For large-sized images it is also acceptable to send a link to a shared folder.

Furthermore, the PowerPoint Presentation Template can now be downloaded from the Conference website: <[www.sbe2016sydney.org](http://www.sbe2016sydney.org)> Presentations are to be a maximum of 12 minutes (not including "Question and Answer" time) and must have the file name: paperID\_presenting author's last name.ppt (e.g. 12345\_Smith.ppt).

Final papers in **Word format**, images and presentation slides need to be emailed to [SBE16Sydney@unsw.edu.au](mailto:SBE16Sydney@unsw.edu.au) by no later than **November 8, 2016**. Please note that papers received after this date will not be included in Elsevier's Procedia Engineering Journal.

As a registered conference delegate, you are also welcome to participate in a series of free workshops that will be held on the day before the SBE16 Sydney Conference. Further information on the workshops can be found at <http://www.sbe16sydney.be>.

Thank you very much and looking forward to receiving the final version of your paper, images and presentation slides soon.

Kind Regards,

Dr Lan Ding and A/Professor Francesco Fiorito

Dear SBE16 Committee,

Have you received my final submission below?

I'm asking because I haven't got any confirmation, and I usually got confirmation from you in my previous submission. Please confirm me, if you have received my final paper, the image files, and the presentation slides.

Best regards,  
Eunike
