**TITLE** : It's OK!

**DESCRIPTION** :

"It's OK!" is a phrase that I really like. This phrase gives positive vibes. No matter what was happened before or maybe something that will happen in the future. I would say don't worry and everything will be okay, It's OK! With this interactive poster, I want to express that feeling and hopefully it will cheer anyone who see it. Happy Birthday DKV UK Petra (VCD PCU)!
