ANAMORPHIC BATIK POP-UP CARD

Anamorphic Batik Pop-up Card

DESCRIPTION

Indonesia has a variety of cultures which attract tourism both locally and abroad. Batik is a culture that can be found in various regions in Indonesia. This artwork is an anamorphic letter "V" batik pop-up card. "V" represents "Variation", as this batik pop-up card has some batik pattern variation which can be seen from 4 different angles with an Indonesian batik pattern on each side. These patterns consist of Mega Mendung Batik, Parang Batik, Kawung Batik, and Sekar Jagad Batik.
