Make the grade with our AI plagiarism checker

Your ideas are unique, and your writing should reflect that. Grammarly's AI-powered plagiarism detector makes it easy to express your thoughts in a way that's clear, original, and full of academic integrity.
Instantly find plagiarism by pasting or uploading your research paper, essay, or article.

Quickly ensure integrity by checking your work against billions of web pages with one click.

Get an originality score for your document to see how unique your ideas are.

Speed up work with recommendations on what—and how—to cite, as well as real-time feedback on your writing.

Beyond plagiarism detection: Speed up your work

Go beyond plagiarism detection to make your writing shine. From final papers to internship applications, Grammarly's AI writing assistance improves your writing and teaches you how to use generative AI responsibly so you're a step ahead at school and when entering the workforce.

Check plagiarism & AI   Authentic authorship   Citation suggestions   Perfect proofreading   AI integrity

Know your work is one-of-a-kind

Grammarly helps you check your content for potential plagiarism and AI use so you can rest assured that what you're submitting is your original work.

Trusted by over 3,000 institutions, including:
DALLAS COLLEGE   CALIFORNIA STATE UNIVERSITY FULLERTON   CLEMSON   ST. JOHN'S UNIVERSITY

94%

94% of students say Grammarly Pro helped improve their grades.

"I absolutely love Grammarly when writing. I especially love revising even the most mundane of lines that hit a plagiarism result, because seeing 0% plagiarism is what I live for. "

@chao_mbogho
Ph.D. and lecturer, Kenya

"Essentially, Grammarly offers the same features as a thesaurus, a quality grammar-checking program, and a plagiarism checker. While you can purchase each of these tools separately elsewhere, Grammarly combines them, which is actually quite nice."
Brandy Cross
Freelance writer, Texas
